Answer all questions.

The People's Health and Saltaire

1. Give one government response to the "Gin Craze" between 1500 and 1750. [1]
2. Give one way that people tried to treat the Black Death between 1348-1351. [1]
3. Which disease helped to convince Titus Salt to move his businesses out of Bradford? [1]
4. Which year was the "Turning Point" for Saltaire? [1]
5. Name one industrial model village other than Saltaire. [1]

The Elizabethans

6. In Interpretation A, the artist suggests that Elizabeth was able to effectively control her Parliament. Identify and explain one way in which they do this. [3]
7. If you were asked to do research on one further aspect of Interpretation A, what would you choose to investigate? Explain how this would help us to analyse and understand Elizabeth's control over her parliament. [5]

Interpretation A – a painting showing the punishment of John Stubbs.

The Making of America

8. Write a clear and organised summary that analyses the way of life of Plains Indians between 1877 and 1900. [9]

Life in Nazi Germany

9. "The most common response to Nazi occupation was collaboration." How far do you agree with this view of Nazi rule in Europe between 1939 - 1945? [18]
