

## Science Year 7 – Summer Term 2

Dates			Learning Intentions
03/06/2024	PAZ	PAZ	1. To assess our knowledge (PAZ) 2. To review key content 3. To fill in gaps in our knowledge
10/06/2024	Physics Unit 2	7K Forces	What are forces?
			What is weight?
			Investigating springs. (2 lessons)
17/06/2024			Investigating friction. (2 lessons)
		What is pressure?	
24/06/2024		8L Space	What happens when forces are balanced or unbalanced?
			Where did the Earth and the Solar System come from?
			What are stars made of?
01/07/2024			What are the planets like in our solar system?
			What are satellites?
			What other objects are in our solar system? Why are they dangerous?
08/07/2024			What are exoplanets?
			How is the universe structured?
			What is gravity like across space?
15/07/2024	What is the Earth's magnetic field and what effect does it have?		
	How does the motion of the earth help us note the passage time?		
	How have we explored space in the past and what are we planning in the future?		
22/07/2024	WS		Crest Award: Discovery - To plan and carry out an investigation. (2 lessons)
