

Y10 learning intentions: PSHE Half term 1

Our half term one concept: **Understanding the Law** - These lessons have been designed to allow students to explore their legal rights and responsibilities as they approach adulthood. Students are encouraged to consider the new situations they may find themselves in as a result of their increasing independence, and be able to navigate these situations respectfully and safely. They are introduced to laws that protect against discrimination and support equality, as well as offences relating to public order. Students explore mitigating factors within the justice system and consider what this can teach them about their personal conduct.
